

SlimStar 8010

Slim 2.4GHz Wireless
Keyboard Combo

The SlimStar 8010 desktop combo is a practical combination of wireless keyboard and wireless mouse. It redefines the meaning of combining style and simplicity. The 2.4GHz wireless solution with anti-interference function improves your working efficiency greatly.

Its keyboard of SlimStar 8010 has eight function keys for instant access to your office applications. The wireless 1200 dpi mouse is comfort for cursor navigation and browsing. The mini receiver stores inside the mouse for storage convenience. Contact your sales representative for more information about SlimStar 8010.
